The screenshot shows a browser window with a Flickr photo of a wooden boardwalk on a beach. A 'strizza.me Url shortener' popup is overlaid on the right side of the browser window. The popup contains the following fields and buttons:

- Original URL:
- Short URL:
- Button: **SHORT**
- Shortened URL:
- Field:  (Label: Set your ApiKey to get stats of shortened urls)
- Button: **UPDATE**
