

Dressing Like a Professional

05.14.2012 | posted by camilleb | [t](#) [in](#) [f](#) [✉](#)

[Jay Lucas](#) gave a presentation to college students about the importance of dressing professional. During this presentation he discussed attire and attitude and how they relate to your career.

What type of clothing should you will wear in your career and when they are relevant?

How does nonverbal communication affect the impression you make?

This was our first presentation to college students and we enjoyed the time spent with them.
