

# Is the Grass Greener on the Other Side?

03.11.2019 | posted by camilleb | [Twitter](#) [LinkedIn](#) [Facebook](#) [Email](#)

Would you consider yourself a conservative, loyal and content employee in your current position? If so, how do you know when the grass is greener on the other side?

True North Recruiting is here to help you. Take our job satisfaction self-assessment to discover whether you should consider if the grass is greener on the other side. You may be surprised with your results.

Click on the button below to get started! Once you have completed the assessment, you will receive an email with your contentment rating and recommended "action steps" based on your individual results.
