Thank you for viewing our songlist! We perform a multi-generational mix of music to engage guests of all ages. But which specific songs we perform is determined by the following criteria:

1) Popular music that will create an unforgettable party. We “read” your crowd and all the age groups in attendance, calling songs accordingly.

2) General musical styles and songs that fit into your personal preferences.

3) What we perform best; songs that help to make us who we are.

Please contact us to discuss our repertoire in great detail!
