GUEST BOOK

Of course we met Denny through Angela. He was welcomed into our extended family. The news of his going to the Mission Field was such a blessing. We were so proud for Angela. Our hearts are very saddened this day. We love you Angela & kids . We are here for you when you need. .

Denny was such an unique individual and accomplished so much in his short life. I admired the way he and Angela set their goals to be missionaries in such a determined way to serve the Lord. And serve Him they did, starting a church in Africa, pasturing churches in Oklahoma, spreading the Word world-wide gladly and joyfully. Rearing their children in a G2v3kodly way. Blessing the many people with whom they came in contact. I believe God has blessed this family and they can be content in our Father's precious care.. Love to you Angela, Maddy, Lonnie and Jentrie. Praying for you, Aunt Dee and Uncle Mack.

We first met Denny when he was in Bible College and then our families served on staff together in OKC . Denny was a wonderful friend and mentor to our 3 three sons in their teen years. He loved them and invested in them thru their young adult life. What an amazing person Denny was. He had the gift of hospitality and of giving! We had the wonderful privilege of going to Africa twice to be with Denny and Angela and the kids. It was such a blessing to see them serving and working there in Karen, Nairobi, Kenya! Seeing the churches they had helped start and the people who lives they had touched. Some of my most cherished memories were seeing two of my sons, Todd and Aaron, lead others to Christ during our trip to Africa in 2012, Denny gave this mom a priceless gift just by being a missionary in Africa! I am so grateful for the blessing of knowing Denny and for the privilege it was to see him in Africa serving the Lord and for the souls that were saved because he went.

I remember Bro. Denny as being a kind, understanding man. Every time I saw him he had a big smile on his face and he would always ask me how I was doing. One time my husband and I were talking to Bro. Denny in his office and we were new to Cornerstone. We were struggling with direction in the way of membership and circumstances and he said to remember that everyone is in seasons in their life and it's ok if our season is different right then than others because it's just a season. I've lived by that since then and it's helped so much! He was such an encouragement!! Keeping The Madory family in my thoughts in prayers during this hard time.

If it weren't for Denny I wouldn't have the son-in-law I have today. He worked with Terry Wallace at Tinker Air Force Base and invited Terry to church where Terry learned about the Lord and Denny had the privilege of leading Terry to the Lord. Then Terry met my daughter Elizabeth. And for that I am thankful to this man.

Denny Madory, He was our sunshine at the Jomo Kenyatta Airport in Nairobi Kenya when we arrived as a family of 5 on July 20 2009. Arriving for the first time in a new country to begin a new mission work is intimidating. He had taken time to meet with us in Springfield Mo. as a fellow like minded missionary to help prepare us for that day. I had written missionaries in Kenya for tips on how to make the move with my family. He responded with passion. He just did not want me to experience the challenge of transition he had gone through. He was a blessing to take us in for our first two weeks having not really knowing us before. He put my family up in his guest room. He made my teenage children feel at home. He blessed us with direction, counsel and assistance that made our beginning days in Kenya successful. We spent our first 3 months working along side Denny and the Church in Karen. We enjoyed getting to know him and his family and look back on his ministry to us as life changing! We are so blessed to have come 1/2 way around the world to make such a great friend! We are sorry to have to say see you later so soon. We know we will meet again to rejoice in all that God has done in the lives of Kenyan people. Because of Denny's sacrifice to come to Kenya, many are on their way to Heaven. ... how shall they hear without a preacher? The Apostle Paul said this in Romans 10:14.
