To the family of Reginald, it is never easy when our loved ones fall asleep in death. However, we can find comfort from the scriptures to help us cope. The comforting words of Psalm 34:18 says; Jehovah is close to the brokenhearted; He saves those who are crushed in spirit. Also Jehovah promise at John 5:28,29 that in the very near future he will bring back to life our loved ones who have died and they will have the prospect to live free from sickness and death (Revelation 21:4) on a paradise earth. May these scriptures help you to cope with the grief and sadness now and in the days ahead.

I am so sorry to read of Reginald's passing, and I extend my condolences to his family. Please be comforted by the scripture found at Isaiah 25:8 which states that death would be swallowed up forever. May you and your loved be reunited again through the resurrection.

My thoughts are with you and the family and how painful it is to lose your loved one. Please accept my deepest sympathy. May God's love and comfort be with you and the family. For this is the will of my Father, that everyone that beholds the Son and exercises faith in him should have everlasting life, and I will resurrect him at the last day.
