Barischelia A. Scott, daughter of the late William Lee Scott and Mrs. Sarah M. Scott, was born October 14, 1970 in Cincinnati, Ohio. She departed this life on May 3, 2014 in Atlanta, Georgia.

Barischeila is survived by her mother, Sarah M. Scott; brother, William M. Scott (Maggie Scott, sister-in-law); sister, Sailauna Scott-Madison (Jay Madison, brother-in-law); 4 nieces (Zoe, Jordan, Ella & Leilynn) and 3 nephews (Gunnar, Oliver & Ethan); ex-husband, Bob Duckens; and

a host of other relatives and friends. She goes to rest with her father, William Lee Scott, and sister, Dawniza L. Scott-Mason.

She was baptized and became a born again Christian on September 17, 1988 at the Antioch Church of God in Christ (Cincinnati, OH).

She graduated in 1988 from Walnut Hills High School in Cincinnati, Ohio and excelled as a basketball player for the Lady Eagles. Barischeila then attended the University of Cincinnati where she crossed in

the spring of 1992 at Beta Eta Chapter of Zeta Phi Beta Sorority, Incorporated. Her line name was 3 x A Lady. While at the University of Cincinnati, she developed her love for one of her many talents as a musician and played the djembe for the Khamisi Drum and Dance

Ensemble. She was one of the few female drummers of this African based drum in the world.

A special part of her life was her respect for her father's love of the Martial Arts. As his pupil she advanced as one of his many junior blackbelts and acquired a First Degree Black Belt in Toe Kwon Do. Her own special love was for the arts. She loved to draw, paint and sculpt. With these talents she decided to become a small business owner of two nail salons (Polished to a "T" and Nirvana Nail salon). She also became a Manicurist Instructor for the Ohio State Board of Cosmetology, traveling and teaching at many schools.

Barischeila loved to spend time with her family and friends, and had a special affection for animals, especially ferrets. Ultimately, she wanted to become an advocate and counselor for battered women and children, just like herself. Even though her death is tragic, let it shine a light on those who are living with this troublesome weight on their hearts and minds and wish to be set free.

We Love You, You are now Free... Your Burden has been forever lifted.
