### GUEST BOOK

"I go to prepare a place for you" if I go and prepare a place for you, I will come again and receive you to myself, that where I am you may be also. (John 14:2) Many believe death is the end of life, but Christians know it is the portal to eternal life. When Christ died on the cross and rose again, He went on ahead to prepare a place for us. We can take great comfort in knowing our loved ones who are believers in Jesus are with him in a real place called Heaven. Instead of mourning because we will never see them again, We can look forward to Spending eternity with them in the presence of Jesus. My Prayer is that the Peace of God Comfort you all.
