In memory of my beloved sister Regina Kelly. I want to express my sincere Love, Prayers and Condolences to my family. I'm sorry I was unable to make it to Tennessee for the Memorial Service. But my prayers and my heart are there with you. My love has not diminished because I'm not there. If anything it has proven to be stronger. These are hard and sad times. The family suffered yet again another devastating lost. But God!!! Through the grace of the Almighty Merciful God he will see us through this. You always told me you loved me and that made me feel more connected to you. I've told you many times that I love you and the kids, Trecie, Marty and Nunu. And how we needed to get together more as a family and enjoy each other. Ironically, the day before your passing, Lisa and I were talking about the need and importance of families getting together and our children learning who their cousins are. Sis, we still need to do that. And I will work from my end to make sure it happens. I am sad; but I know God makes no mistakes. One day I will see you in Heaven. Where the streets are made of gold and the gates of pearls. Love you Family, your brother. Pastor Rick and Pamela Tasley New Day Ministry Saginaw, Michigam
