### GUEST BOOK

Zach was my former co worker who became a great friend to me During the brief time I KNEW Zach he taught me alot. He taught me to NEVER SETTLE for less than what you are worth. We had plans to make a better way for our kids. And it hurts really bad to sit and call his phone for two months wondering where he's at Getting no response to find out today he passed and not to even know how has devastated me and I PRAY FOR those babies.... LOVE U BROTHER!!

o the family: In seeing the picture of Zach my heart hurt. What a beautiful smile. May you draw strength for the knowledge Zach is in no pain nor is he suffering. He lives in the memory of our heavenly father and as Revelation 21:3,4 says there will come a time when death and this type of grief will be no more. EW

I met Zack at FHS. We quickly became friends and it continued right through college. He had an infectious smile that made you smile even if you didn't want to. We haven't spoken for years but he was truly a good friend. He will be missed. My prayers go out to his loving family. Sincerely, Tanya Byrd

I met Zack when we had just opened City Wide in Atlanta in 2012. He always was smiling, in a great mood

and was a highly motivated skilled worker. The customers loved him and he was always in high demand. I can't believe he is gone from this earth too soon. Rest In Peace my friend. David Otis
