I want to offer my condolences to the Mack family and friends. Our Almighty Heavenly Father knows the pain you feel from the loss of your love one. He did not purpose his human family to die but to live and enjoy life forever. This is still his purpose (Psalms 37:11, 29). He calls death an enemy that will be removed forever along with all pain and suffering\_ 1 Corinthians 15:26; Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore."

Notice his promise to awaken all those in the memorial tombs from asleep in death— Hosea 13:14 “From the power of the Grave I will redeem them; from death I will recover them.” He will then “satisfy the desire of every living thing” (Psalms 145:16. Allow these words to keep comforting all of you.
