Keith, Man cuz this was definitely unexpected, but that's the kind of guy you were. We got laughs to last us for days. Thank you for being one of a kind and just being your self. You will be missed by all who knew you. I wish we had just a little more time with you, but I know you are at peace and free from the sufferings on this side. Fly high cuz! The twins are going to miss you and your homie Brent will too. You will not be forgotten. We Love you and Haynes Park, Bordeaux, Tennessee will never be the same.

We are truly sorry for the loss of your dear Keith. Our loving Creator wants to comfort you with his promise that he makes through his son, Jesus, who states, "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." (John 5:28,29) May this promise of a resurrection to life bring you comfort and hope.
