Our heart goes out to your family for your precious loss. I can't take away your pain, tears and sadness. But please know we care. "Just as a cultivator longs to see the roots of a cut-down olive tree spring up again, Jehovah God longs to restore his deceased servants and many others to life. (Matt. 22:31, 32; John 5:28, 29; Acts 24:15) What a joy it will be to welcome back the dead and see them enjoy productive lives once again!" (Please visit the website (JW.org) if you have questions.
