GUEST BOOK

Walter, and I spent many years working together at Equity Group, processing Chicken nuggets, as well as working at Piz Inc. making zip-lock bags. We had many days enjoying the many jokes, we told to others making them laugh, and forget about any worries they may have encountered. You could find Walter and I fishing at any given time, whether at Percy Priest, or Old Hickory Lake, we love fishing, and to not forget about fishing at Two Rivers, behind the School. Walter was a peaceful brother, man, that loved his family, and concerned for the health and welfare of others. Her was a true Union Leader at Equity Group. We love you Walt! Min. Charles Jackson
