Dear Uncle Paul, For as long as I can remember you have always been there for us. The love and joy you shared was very genuine and came from a great place. Even when Aunt Lois was in her last days, she wanted to see you and you came but we knew you would be there. We always knew that if there was anything you could do for us, you did it. I will miss your loving spirit but for you there is paradise that lies ahead. Please sleep in peace. Love always, your niece Shauna
