My deep deep condolences to the Perkins family: May you reflect on the precious memories that you made with your loved one. I would like to share what helped us when our precious daughter died and later when my precious husband fell asleep in death as well. I appreciated the calls and visits from all over the U.S. but I recall just sitting down and reading different Scriptures and meditating on them. It was so comforting to read that God cares for us personally... (1Peter 5:6, 7). Yes, He cares, He sees our pain & feels it. And, He Jehovah God will in His due time do away with All sicknesses & death (Isaiah 33:24 & Isaiah 25:8). He is indeed a God of comfort. Oh, wow He promises the hope of seeing our precious loved ones again (John 5:28, 29) and says where (Psalms 37:11). He always keeps His word. I hope that these few Scriptures were of some comfort to you as they were to me.
