### GUEST BOOK

Hello Johnson Family, I'm a neighbor living in the area. Having heard of your most recent, and very tragic loss, I want to leave you a brief post. I too, well know the grief of losing love ones, and that at times like these, it is encouraging just to know that others are thinking about us. Something that has really helped me to cope with such losses, is the wonderful promise of Christ Jesus, recorded for our comfort at John 5 ; 21. I hope, that when you are feeling up to it, that you are going to look up this powerful Scripture,B367cH6 in your copy of The Bible. Also, I hope that this brief note, finds The Family feeling as good as can be expected Today. With Greatest Sympathy, Your Neighbor ; P.W.

To Robert and family, Our hearts go out to our neighbor and friend in the passing of your wife, and to the children in the passing of your mother, and to her mother & brother in the passing of their love one. Phyllis will be greatly missed, she was a good neighbor. I can say that she fought a good fight and she didn't let anything or anyone stop her. I know it hurt and she will be missed by all that loved her. No more pain, no more sickness, no more sorry. Remember the good times and the love that you all shares, and lend on the Lord for strength in the days to come. We love you and know that our prayers are always with and for you & your family.
