### **GUEST BOOK**

To the family, please accept my deepest condolences. The death of a loved one is very devastating. Our Heavenly Father has promised us of a time when death will cease to exist. He has also given our dead loved ones a future hope. Revelations 21:4 Acts 24:15

I came to know Ms. Helen when she answered an ad about keeping my two boys. Hayden was 2 1/2 and Collin was a newborn. She would show up in her red sequenced cap and wide smile and love on them all day. We were so blessed to have her come in to our home and keep our boys. I always knew her distinct voice whenever she would call me through the years. Rest in peace Ms. Helen. Thanks for everything!
