GUEST BOOK

My condolences to the family. It is always painful when we lose a loved one in death. May the God and father of our lord Jesus Christ, and the God of all comfort be with the family during this difficult time. Jehovah invites you to throw all your burdens on him because he cares for you. (1 Peter 5:7). May you take comfort in knowing that your dead loved one is not suffering. (Ecclesiastes 9:5). Again truly sorry for your loss.

DW May the family be able to find soothing comfort in knowing that the Creator is aware of your deep pain and grief and will be there for you as you pour out your hearts and deep feeling to him. This assurance is provided at Ps. 34:14,15,18,19. These words have never failed to provide comfort and be a source of encouragement. May it be the same for your family.
