

Smart Parking Mat

Product Features:

- You will no longer have to worry about crashing into bikes, water heaters, lawnmowers or the back wall of the garage.
- Cradles your vehicles front tyre to make sure you park perfectly, every time.
- Anti-skid, oil and gas resistant polyethylene mat in solid colour Yellow.
- Only one per vehicle required.

Eliminate the risk of damaging vehicles, buildings and assets by using our clever parking mat

The Smart Parking Mat is designed for use in private garages to prevent over shooting parking positions. Alternatively, the parking mat ensures you are far enough into the garage to be able to close the door without repositioning vehicles.
