Port-a-guard Expandable Barrier for denying entry to unauthorized areas

Barrier's New Port-a-guard expanding safety barrier comes in a Standard 6 metre length which makes it an easy solution for denying entry to unsafe or unauthorized areas such as walkways, stairways or elevators.

Barrier now offers an improvement in quality, range and design of their Port-a-guards with a stronger construction of aluminium and hi-tech plastic components that are like no other expanding barrier on the market. They are powder coated in two popular colour combinations of Red and White or Black and Yellow.

When you purchase the 6 metre (or the 3 metre) barrier you now get a versatile 2-in-1 pedestrian safety barrier that can be used as a free-standing or wall-mounted configuration - Two barriers for the price of ONE at no extra cost!

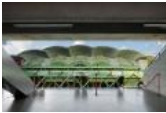

Your 6 metre kit includes:

- 1 x Port-a-guard 6 metre body
- 3 x Moulded plastic feet
- 3 x Wall/Sign mounting brackets
- 1 x Wall receiver bracket

Additional inclusions:

- FREE Sign mounting bracket
- 12 page expanding barrier user guide
