

Outdoor Safety Convex Mirrors

Product Features:

- Polycarbonate Mirror Face
- Weatherproof and Durable
- Hi-Vis Orange Protective Visor
- Wall & Post Mount Brackets Included

Durable Weather-Proof Convex Mirrors for Pedestrian and Workplace Safety

Outdoor Convex Mirrors are designed to be extremely durable and weather-resistant, making them perfect for use in a variety of outdoor applications, including road and pedestrian traffic, distribution depots, shopping centres, and parking areas. With their unbreakable polycarbonate face and highly visible orange visor, our safety mirrors offer a wide field of view that allows drivers and pedestrians to easily spot potential hazards and obstacles.

Our convex mirrors come complete with both wall and post mount brackets, giving you versatile installation options. Plus, if you need additional wall mount brackets, they can be purchased separately.

At Barrier Group we understand the importance of pedestrian and vehicle safety in outdoor environments. That's why our mirrors are a safe and reliable choice for busy workplaces and parking areas.
