

# Hook Posts Fixed In-Floor

## Product Features:

- 4-way configuration
- Accepts braided rope, plastic or steel chain
- Security fixing prevents tampering
- Two grades of stainless steel or plastic posts
- Expert installation available for additional fee

Choose from two grades of stainless steel or durable UPVC plastic. All posts are 63mm in diameter. Fixed in-floor installation using the aluminium slip post kit allows them to rotate for alignment while a security fixing prevents unauthorised removal. Hook posts are a 4-way configuration and accept our plastic or stainless steel chain or braided ropes. Slip post kits sold separately.
