

T-Top Eye Nut

Product Features:

- Hi-Vis Orange plastic eye nut designed as an accessory for the T-Top bollards.
- Eye nut is supplied with two snap clips.
- Used to create a safety barrier between bollards.
- Allows plastic or steel chains to connect T-Top bollards.
- Great for cordoning off unsafe or pedestrian free areas.

Creates a barrier when paired with T-Top bollards and chains

A low cost method of attaching plastic chain to T-Top Bollards. The secure connection between chain and bollard reduces tampering. Remove and re-use design means they can be used again and again.

Note: This product is also compatible for use with our [Vertical Plastic Panel](#).
