Tenda 8 Port Switch

Expand your wired home network with the Tenda SG108 8-Port 10/100/1000 Gigabit Switch. The SG108 is a gigabit Ethernet switch, of high performance, easy maintenance and is specially engineered to upgrade office/home Ethernet network to Gigabit Ethernet connectivity at minimum cost and effort.

By connecting the SG108 to your router, you can add up to seven more devices to your home network with Gigabit Ethernet connectivity. Add devices like your gaming console, printer, DVR, NVR or network camera with a simple Ethernet cable.

Key Features:

- 8 x 10/100/1000Mbps ethernet ports (RJ45)
- 20/200/2000Mbps at Full Duplex
- Includes power supply
- Stylish compact black appearance
- Plug and play setup
- Power and uplink LED's
- Wall or desktop mountable
- High speed processing
