Epilogue

While this may be the end of this guide, this is *most definitely not* the end of your Tiki journey. This guide has covered only a small handful of Tiki’s options. Tiki Essentials: What all Smarties need to know about Tiki Wiki CMS Groupware® is a good place to continue learning about Tiki.

I also encourage you to explore the complete Tiki documentation for information on all of Tiki's features.

Finally, I am curious about what you think of this guide and this site. Please tell me what you think. Any feedback, compliments, or criticism is greatly appreciated. Even better, become a contributor and help improve this guide.

Thanks!
