Using Blogs

From the Menu module:

1. Select **Blogs > List Blogs**. The List Blogs page lists all of the available blogs.

   **TIP**
   
   You can configure which columns appear in this list by enabling (or disabling) specific items in the **Page Listing** area on the Blog control panel page.

2. You can click the column heading to resort the list, by that heading. For example, click the **Title** column once to sort the list by each blog's title (in ascending order). Click it again to sort in descending order.

3. You can click on a blog title to view the blog.
